

The Expanded Aspiration

THE TRADITIONAL VIEW	THE NEW VIEW
How we talk about it:	
HIV	People living with HIV
Primary Focus:	
The virus	The whole person
The Goal:	
Viral suppression ¹	Viral suppression & lifelong good health
The Outcome:	
Co-morbidities occurring 10 years earlier than in the general population ²	Health status aligned to the general population
Life:	
HIV dominates day-to-day living ³	HIV becomes just a part of day-to-day living
The Common Vision:	
 <p>1</p>	

The Expanded Aspiration

THE TRADITIONAL VIEW: HIV	THE NEW VIEW: PEOPLE LIVING WITH HIV
Primary Focus:	
The virus	The whole person
The Outcome:	
Viral suppression, with co-morbidities occurring earlier than in the general population ²	Viral suppression & lifelong good health, with health status similar to the general population
The Vision:	
 <p>1</p>
